The Gayatri Co-Operative Urban Bank Ltd. was started banking business in the year 2000 under Andhra Pradesh co-operative Societies Act, at present the bank is converted into Multistate Co-operative societies Act by serving the states of Telangana and Andhra Pradesh.

For the past 22 years, we have been growing day by day with the support of the people with the aim of providing prompt and reliable services. So far, in the financial year, Rs.1206 Crores of deposits, Rs.841 Crores of loans and advances and we have reached the total business of Rs.2047 Crores. We are pleased to be informing that, we have a clientele base of 6.50 Lakhs.

Also, our bank stood at first in moving with aggressive steps in full-fledged utilisation of new technological innovations in the co-operative banking sector

like Digital banking, Core banking solutions, SMS banking, RTGS, NEFT, ATM, APBS, CTS clearing, ACH debit, ACH Credit, EBT, ECS, UPI, AEPS, Micro ATM etc.

We have started banking correspondent services in our bank and appointed 338 banking correspondents under all 23 branches and striving to reach doorstep banking services to all needy customers, like AEPS, Micro ATM and IMPS. In the same way we would like to inform you that we will dedicate to expand the services of the bank, to different cities in the future as well.

I express our heartfelt thanks to all the generalists and electronic media brothers who are behind us in our every step and working for the betterment of the bank.

Yours faithfully

Vanamala Srinivas
